GOIN' WHERE THE WIND BLOWS ( Mr. Big )

=====

Someone said life is for the taking  
here I am with my hand outwaiting for a ride

I've been living on my great expectation  
what good is it when I'm stranded here  
and world just passes by

where are the signs  
to help me get out of this place

If I should stumble on my moment in time,  
how will I know  
if the story's written on my face,  
does it show  
Am I strong enough to walk on water  
Smart enough to come in out of the rain  
or am I fool  
going where the wind blows  
where the wind blows

Here I sit halfway to somewhere  
thinking 'bout what's in front of me and what I left  
behind

on my own, supposed to be so easy  
is this what I've been after

or have I lost my mind

maybe this is my chance and it's coming to take me  
away yeah

If I should stumble on my moment in time, how will I  
know  
if the story's written on my face, does it show  
Am I strong enough to walk on water  
Smart enough to come in out of the rain  
or am I fool going where the wind blows  
where the wind blows

Here I am, walking naked through the world  
taking up space, society's child  
make room for me, make room for me, make room for  
me

Solo Gitarre

Am I strong enough to walk on water  
Smart enough to come in out of rain  
or am I fool  
going where the wind blows  
where the wind blows  
yeahyeah goin' where the wind blows  
na nana na na nayeah  
na nana na na na
