All right, huh!

I work hard every day

Come rain or shine

Don't need nobody

To tell about a girl of mine

She's got so much love

She saved it all for me

And I would not be lying

It's the way it's gotta be

So mister Big, uh

Better watch out, uh

And don't you hang around me now

That' all for you

I would dig-ya

A great big hole in the ground

All right...yeah, yeah

Now listen

I don't care who you are.

So don't explain

Better get on out of here

And don't you come back again

I don't want a thing from ya

Don't wanna give you nothing too

So get on out of here

Before I lose my cool

(repeat chorus)

Don't you know I really need to?

Oh, woh, woh, Mister Big, yeah.
