Words in my mouth  
Someone told me to say  
They go unspoken  
My mind gets in the way

I hold my tongue  
Save my, save my soul  
True to myself  
And stay gold

Sometimes you gotta pull the plug  
Somewhere a little place to crawl  
Love me for who I am  
It doesn't have to be this hard  
for an ordinary man

I wanna take cover, take cover  
From you, wake me when it's over  
Take cover, I wanna take cover  
From you

Sold all my dreams  
Watched them all disappear  
I've spilled my blood  
No one seems to care

Sometimes you gotta pull the plug  
Somewhere a little place to crawl  
Love me for who I am  
How low do I have to go  
to make you understand

I wanna take cover, take cover  
From you, wake me when it's over  
Take cover, I wanna take cover  
From you

I wanna take cover, take cover  
From you, wake me when it's over  
Take cover, I wanna take cover  
From you

Cover, take cover,  
Nothing I can do  
To keep on going on  
Take cover, take cover  
From you

Save my soul,  
save my soul...
