When the honeymoon's over
Where do we go from here?
What do we do when we get there?
Who's at the other end?

Yeah, one minute after midnight
When it's all been said and done
Is that the way it is in real life?
Time marches on after the shock

We rock & roll over, over and then
Show your true colors, put on a new face
Love is like a faucet, turnin' off and on
Rock & roll over, will the real you stand up?

Same time next year
Life is full of chances
Is this the lady or the tiger?
There's never any answers

Ooh, one minute after midnight
When it's all been said and done
Is that the way it is in real life?
Time marches after the shock

We rock & roll over, over and then
Show your true colors, put on a new face
Love is like a faucet turnin' off and on
Rock & roll over, will the real you stand up?

Love and hate is a fine, fine line, yeah
But if you're the cure, now, baby
I'll make the time, yeah

Ooh, one minute after midnight
When it's all been said and done
After the shock
Yeah baby, we rock

Rock & roll over, over and back
Rock & roll over, over and then, yeah
Rock & roll over, over and back

Rock & roll over, over and then

Rock & roll over, over and then

Baby, we rock

Over and then

We rock
