One, two

Face of an angel, soul of a saint  
So much of the things, I know that I ain't  
I should be glad, you might suppose  
For some stupid reason that nobody knows

All that she's got, it sure is a lot  
But it still ain't enough for me

There must be a reason, I'm not satisfied  
So hard to please, oh I realize  
She up and left me with nothing to say  
Somehow I knew it would end up this way

All that she's got, it sure is a lot  
But it still ain't enough for me

Face of an angel, soul of a saint  
So much of the things, I know that I ain't  
I should be glad, you might suppose  
For some stupid reason that nobody knows

All that she's got, it sure is a lot  
But it still ain't enough for me

All that she's got, it sure is a lot  
But it still ain't enough for me  
Still ain't enough for me
