He runs around like it's a monkey do situation  
Reach sown into his soul and get nothing at all  
Ride the wave in a bubble made of plastic  
In a water color world that's

Superfantastic  
Everything is beautiful, nothing's too tragic  
When it comes to happy people  
Bedtime stories, morning glories  
Blue skies and the perfect life for you and me

Look into the eyes of the man and see  
The main attraction living off the fat of the land  
And standing tall Mr. Feel Good craves satisfaction  
Like an all day sucker

Superfantastic  
Everything is beautiful, nothing's too tragic  
When it comes to happy people  
Bedtime stories, morning glories  
Blue skies and the perfect life for you and me

White bread, black tie  
Big boys don't cry
