Hold on little girl  
Show me what he's done to you  
Stand up little girl  
A broken heart can't be that bad

When it's through, it's through  
Fate will twist the both of you  
So come on baby, come on over  
Let me be the one to show you

I'm the one who wants to be with you  
Deep inside I hope you feel it too  
Waited on a line of greens and blues  
Just to be the next to be with you

Build up your confidence  
So you can be on top for once  
Wake up, who cares about  
Little boys that talk too much

I've seen it all go down  
Your game of love was all rained out  
So come on baby, come on over  
Let me be the one to hold you

I'm the one who wants to be with you  
Deep inside I hope you feel it too  
Waited on a line of greens and blues  
Just to be the next to be with you

Why be alone when we can be together baby?  
You can make my life worthwhile  
I can make you start to smile

When it's through, it's through  
Fate will twist the both of you  
Come on baby, come on over  
Let me be the one to show you

I'm the one who wants to be with you  
Deep inside I hope you feel it too  
Waited on a line of greens and blues

Just to be the next to be with you

I'm the one who wants to be with you  
Deep inside I hope you feel it too  
Waited on a line of greens and blues  
Just to be the next to be with you

Just to be the next to be with you
