So I heard y'all wanna float...

Yo

This fallen angel could stitch a wing wit a shoestring
Prime directive selects reflective aviation bathed in
moodswing

(I'm broke)

I know a walking corpse who'd spit icicle dagger to slit
throat

Quicker than you can prove there's four letters in hope
("H - O - P - E")

I paint a portrait for myself,
called Life Inside Retarded Shell

(Tortured)

Orbiting Hell's orchid, intrigued but not compelled

I smell a hint of charred child flesh

sweeping through my quarters

Order one canteen of liquid caffeine

and eclipse the slaughters

Now is you is the villain of my Kabuki hologram?

I hobble with hollow hands

(Please pin the nozzle)

It's the intent to reinvent dream application

With homage to ancients

But honor modern replacements

Circling now basics

(Fresh)

I'm Bilbo Baggins, with stilts tippin' the peatree dish

Beached fish on the shores

where the feast of wits eats the corpse

Divy the servings and study the traits

that deemed killer breed credible

Now that's a harp of a different color-

Yeah, but the song remains identical

I am not a crook

(Crook)

I cook the wick at both ends just to blend that element
of chance with my

tight rope leaf

(Life)

Sight beyond,

I reign where hunger pain got begone

Belong to something civil saint
'Cause this Rembrandt paints on
And it's a dulled canvas,
Lodged in the gut of Atlantis
Some present impressive lungs,
Some truly learn what a death chant is
I alone personify mankind's collective sulk
As the result of one angry Zeus fist blistering cult pulp
invoked
Face it,
Place it on the shelf next to the portrait Mommy gave
you
On the day it rained while yall posed by the slave ship
anyway
(How sweet)
It rain 'till the levee breaks
My fetus piece is a combine of
Father Time and his sweetest concubine
And it saddens me like televised casualties
I'll be hung in the village square in exactly five minutes
(You don't want to miss it)
I've been soaking up my discontent regarding the
equation
I'm officially closed for consultation

I float
When everyone around me's busy drowning I float
When everyone around me's busy drowning I float
When everyone around me's busy drowning I float
