I Didn't Know About You

Count Basie

Music and Lyrics by Duke Ellington and Bob Russell

I went around with my own little crowd

The usual laughs, not often but loud

And in the world that I knew

I didn't know about you.

Chasing after the ring on the merry-go-round

Just taking my fun where it could be found

And yet what else could I do

I didn't know about you.

Darling, now I know

I had the loneliest yesterday;

Every day

In your arms I know for once in my life;

I'm living

Had a good time every time I went out

Romance was the thing I kidded about

How could I know about love

I didn't know about you.
