(Chorus)

No one can do it better than you do,
No booooooooooody,
No one can do it better.
No one can do me better than you do,
No booooooooooody,
No one can do it better.

Tell me have you ever kicked it with a playa so fly,
Gulf stream baby, put you way up in the sky.
Trips around the world, Japan, then France,
It ain't Hollywood but I save the last dance.
Keep stuntin on them haters just to watch 'em get mad
Some'n like Michael Jackson, babygirl we bad.
One night with this nigga and you'll never be the same
But you can call me up when you wanna make a
change.

(Chorus)

No one can do it better than you do,
No booooooooooody,
No one can do it better.
No one can do me better than you do,
No booooooooooody,
No one can do it better.

Like a fairy-tail baby make dreams come true
Pick any day you want and it's all about you.
Takin pictures in the club just to hang 'em on the wall
Smile on your face every time you get my call. (hello?)

Make you feel special, try and show you what you worth
Surprise for you baby when I pick you up from work.
Candles on the dresser, rose petals on the flo
Now let me rub your neck to your feet down low.

(Chorus)

No one can do it better than you do,
No booooooooooody,
No one can do it better.
No one can do me better than you do,
No booooooooooody,

No one can do it better.

Can't no body, and I mean no body
Do your body like I do hunny
Off to to telly and the freak'um dress next
You say we ain't ready, why your pussy so wet.
Kiss you on the neck, got damn you fine
Grab you by the waist while I hit it from behind.
Don't disturb sign cause the room stay rockin
Make you strike a pose on it, like the whole world
watchin.

(Chorus)

No one can do it better than you do,
No boooooooooody,
No one can do it better.
No one can do me better than you do,
No boooooooooody,
No one can do it better.
