(Chorus)

We came to party,  
we came to rock (came to rock)  
So tell the DJ,  
to turn it up (turn it up)  
We came to party,  
we came to rock (we came to rock)  
So tell the DJ,  
to turn it up (turn it up)

Yea fresh in the club,  
tilt turned to the max  
came to have a good time  
so I brought my stacks.  
Yea I see you lil mama,  
we don't wait in no line  
certified stars,  
whole click gone shine.  
Then the DJ play my song,  
think I lost my mind  
Snatch a bad one up  
and tell her she so fine.  
Make me wanna find that,  
and grind that,  
Smack that, shake that,  
now drop that.

(Chorus)

We came to party,  
we came to rock (came to rock)  
So tell the DJ,  
to turn it up (turn it up)  
We came to party,  
we came to rock (we came to rock)  
So tell the DJ,  
to turn it up (turn it up)

And now we goin full blast  
and we all turned up  
In the middle of the dance floor,  
and don't give a fuck,  
Hands on your thighs while

I'm pullin up your dress,  
pushin up on you while I'm  
breathin down your neck  
Rollin them hips  
like we havin good sex  
fuckin with me,  
thats all you gone get

Patron got you gone  
Goose got loose,  
Henney and the Remy  
No coke, no juice.

(Chorus)  
We came to party,  
we came to rock (came to rock)  
So tell the DJ,  
to turn it up (turn it up)  
We came to party,  
we came to rock (we came to rock)  
So tell the DJ,  
to turn it up (turn it up)

and I'm squeezin your too.  
Thanks mister DJ  
for playin my song

all night long.  
I'm the coolest with the hottest,

in front of everybody.  
The lights came on  
but that ass still bouncin  
Ima stick around cause  
the party still jumpin!

(Chorus)  
We came to party,

So tell the DJ,  
to turn it up (turn it up)
