I want him stopped now  
Him and his whole label all of his homies, everybody  
Anybody that rolls with him and throws up the H  
I want 'em stopped right now this' bullshit  
We can't eat out here we can't sleep out here we can't  
even think out here  
Because everybody's bumping these muthafuckers  
I'm gettin' tired of this shit  
I said I want him stopped right now  
I'm sick of this shit  
Man fuck Mr. Criminal  
Fuck Hi Power  
Fuck that whole fuckin' label  
I want these muthafuckers stopped  
Man fuck these muthafuckers already

Man fuck Mr. Criminal cause the way he balls  
I remember Mr. Criminal since the days of juvenile hall  
Sent to isolation always cause there was writing on the  
walls  
Fools they used to trip on him used to leave with broken  
jaws  
Ese fuck Mr. Criminal I don't like the fact he came up  
I feel he's talkin to me when he says "Step your game  
up"  
Fuck Mr. Criminal I don't like him or his fuckin' clique  
The fact he's so successful after all of these years  
makes me sick  
Man fuck that punk I woulda ran up on him but he's  
always quick to dump  
Always at his shows deep as fuck with some  
knuckleheads  
One day I'm a catch him on a solo I'm a bust his head  
Fuck Mr. Criminal one day I'm a fuck him up  
Make some fake stories 'bout him maybe I can smut  
him up  
Fuck Mr. Criminal I wish that I could shut him up  
Every couple of months he drops another album, what  
the fuck?

Fuck Mr. Criminal, fuck you too!

Haters screamin' fuck a Criminal, you ain't fuckin' with me fool

Fuck Mr. Criminal whose coming this original  
Number 1 nationwide cause they love Mr. Criminal  
Fuck Mr. Criminal worldwide they bang me  
They ladies wanna rape me  
They hate cause they ain't me  
Fuck Mr. Criminal if you want it come and get some  
Fuck Mr. Criminal if you want it come and get some

Fuck Mr. Criminal cause now he's on the radio  
First he was with Nate Dogg now he fucks with Fat Joe  
How the fuck's a finger painter on Power 106?  
Every single song by him somehow ends up on the list  
Ese fuck Mr. Criminal cause my lady likes his shit  
My sister likes his shit, my cousin and my tias buy his shit

I hate the fact I sit inside my room; can't even write a hit

I sent a message to him one time and he denied my shit

Fuck Mr. Criminal I hate the label that he's from  
I tried to get signed to 'em but his label left me hung  
Fuck Mr. Criminal I hate the neighborhood he's from  
Every time I'm in his hood his little homies beat me dumb

Fuck Mr. Criminal it's hard to copy how he raps  
Maybe I can catch him slippin' maybe I can get a track  
Fuck Mr. Criminal I wish that I could shut him up  
Every couple of months he drops another album, what the fuck?

Fuck Mr. Criminal I'm gonna fuck up his career  
I notice he's successful now so now I'm gonna reappear  
Fuck Mr. Criminal I'm gonna run around and make a DVD

Try my hardest to end the HPG

Ese Fuck Mr. Criminal I know when he's outta town  
I know when it's safe to leave my house and come around

Fuck Mr. Criminal cause he didn't help me out  
Fuck Mr. Criminal and everything that he's about  
I'm a try to make 'em look bad that'll make me look good

Maybe after that I can sell some shit and do good  
Maybe I can finally stop to hold the head on the game  
Him and his whole Hi Power muthafuckin' Gang  
His homie Capone-E yeah fuck him the same  
And his labelmates look at their success in the game  
Fuck Hi Power too I wish that I could shut 'em up  
Every month they drop another album, ese what the

fuck?

Fuck!

See it don't work we tried everything we could  
We started this whole fuck Hi Power campaign and it  
didn't do shit

It blew up in our face it's like they like 'em even more  
now
