Ooooooh,  
Your my special lady  
Oooh.

As I take a look into your eyes, it's like I'm hypnotized.  
Now I understand  
The definition of natural high. Straight floatin to the  
sky. Don't wanna see  
You cry. Just wanna hold you and caress you and keep  
you by my side.  
Until the day I die, would you be down to ride for me  
Would you be willin  
To put that drama to the side. You know I'm down for  
you baby, so are you  
Down with me? This track is dedicated to my special  
lady

.:Chorus:.  
It feels like paradise  
Knowin that your my special lady  
I can't believe my eyes  
You really are my special lady

And you know how that drama goes. Always on the  
road, travelin state to  
State, catchin flights, doin shows. And when I'm finally  
home, it's like it  
Never stops. Always in the studio droppin vocals, makin  
it hot but baby girl  
I'm tryin to take this music to the top. So I could provide  
my special lady  
What she wants. I know that love is really stronger then  
those other things  
But baby girl you are so special you deserve the finer  
things. Forget what  
Drama brings baby let's go and runaway and with this  
ring it means I love you till my  
Dyin days. Please girl don't cry today. There's no more  
fights and pain and baby girl pay  
Very close attention to what I say. Youve always kept it  
real baby. Your so  
Incredible. The moments we share and spend is really

unforgettable.

Where ever there's you there's me. Where ever there's  
me there's you.

Youve always kept it true. that's why it's dedicated to  
you

.:Chorus:.

Girl you made me realize

And I know it's no surprise that I'm in love with you

Your my peaches and cream

Lookin out for my dreams, Girl all I want is you

And no one else but you

And I mean it baby your are my very special lady.

Times are gettin crazy

You never fail to amaze me and I miss you lady I need  
your lovin come

And save me. Life can be so shady. That's why I cherish  
you my lady and

Baby I really need you and baby I really love you. that's  
a promise that I

Mean I'll never place no one above you. Baby girl yo te  
amo suavcita mi linda

Con todo mi corazon mi amor mi vida

.:Chorus:.
