Verse 1:

you'd think it'd get a little  
easier  
not so  
for every day that passes  
the more she has a/the right to know  
but if you would I'd tell her  
I'd tell her  
it ain't so

you think that I would tire  
quickly  
not so  
for every day that passes  
my love has time to grow  
and how my love can grow to  
well god only knows

you think I shouldn't  
worry  
not so  
for every day that passes  
my feelings are more unshown  
and if I would a hide away  
she'll never know
