i try to pretend that love's not around
but it's uncomfortably near
my young heart is gaining no ground
cause my angel eyes ain't here

angel eyes
straight from the devil's sent
they glow unbearably bright
need i say that my love is misspent
misspent with angel eyes tonight

so drink up, you happy people
order anything you see
have fun, you happy people
the drinks and the laughs are on me

pardon me, i've gotta run
the fact's uncommonly clear
gotta figure out who's now number one
and why my angel eyes aren't here

so drink up, you happy people
order anything you see
have fun, you happy people
now the drinks and the laughs are on me

excuse me while i disappear
