I've felt so alone  
waiting for a day  
that might never come.  
I can't look in your eyes.  
It's hard for me to see you this way  
when my hands are tied.  
But tonight...  
I'll make it alright.

Do you know?  
If you fall I'll catch you  
and never let you go.  
Take my hand  
leave him tonight  
and never look back again.

[Chorus]  
Run away to me.  
Oh, I have no shame  
that's all that's left of me.  
Run away to me.  
No, I cannot change  
what's burning inside of me.  
I know just how you're feeling  
I've felt that way before  
it's not the way I want to feel again.  
It makes it so hard  
for you to walk out that door  
tell me what the fuck do you see in him?  
But tonight...  
I'll make it alright.

(I can never let you go)  
Take my hand  
leave him tonight  
and never look back again.

[Chorus]  
Run away to me.  
Oh, I have no shame  
that's all that's left of me.  
Run away to me.

You could change the whole world through me.
