I'd love to be, be like one of them  
Instead they hate all my friends  
I'm just wasting my time  
If dad finds out, finds out the trouble I'm in  
He'll surely beat my behind  
Gotta play it cool  
(Chorus:)  
There's the sun and the sky and the clouds  
They seem to swallow me whole  
I feel as big as a flea  
Hide in the grass  
With the ants and the bees  
And I drink and drink and drink and drink  
Until the day's gone by  
I take from that bottle of mine  
Instead it takes from me  
I can't face her  
I can't face my mom anymore  
After she caught me down on the floor, yeah  
She warned me, she warned me and I  
Think that I'm going blind  
I can't touch myself anymore  
So I head out that door  
  
Forever more  
(Chorus)  
I think I'll go home now  
Spent all my money  
Stumble on the grass now  
Step on the ants and the bees  
I'm so sorry, yeah sorry  
Oh my momma, oh my papa  
Don't you recognize your hedgie boy now  
Oh my momma, oh my papa  
The scene is dead and I don't know what to do  
Oh my momma, oh my papa  
Don't you recognize your hedgie boy now  
Oh my momma, oh my papa  
The scene is dead and I don't know what to do  
What to do, what to do, what to do, what to do  
Home sweet home  
Home sweet home

Home sweet Jesus baby  
Won't you drive me home tonight  
Yeah tonight  
Yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah, tonight
