Who is following me, who is following me
Should I run, should I hide, should I act like a different
man
Will I ever face my fear, who is following me

Standing in the shadows - I just don't know
Reaching for the light - just give me a sign
Take this empty spirit - where will I go
Throw away my pride - what will I find

Who is watching me, somebody's watching me
Get so close and lose it all, get so high and then I fall
But I know through it all, he is watching me

Standing in the shadows - I just don't know
Reaching for the light - gotta give me a sign
Take this empty spirit - where will I go
Throw away my pride - what will I find

I'm a man of a thousand dances, just a man of a
thousand dreams
I'm just a man of a thousand dances, I'm a man and I -
and I wanna be free

(Solo)

Standing in the shadows, reaching for the light
Take this empty spirit, throw away my pride

Standing in the shadows - cross my hands to the spirit
Reaching for the light - gotta give me a sign
Take this empty spirit, throw away my pride

Hallelujah, hallelujah, hallelujah, hallelujah

I'm a man of a thousand dances
I'm a man of a thousand, of a thousand, of a thousand
dreams
