Mesa, mesa  
We're comin' back home  
Mesa, mesa  
We're comin' back home  
Yeah, yeah, yeah, yeah  
We're on our way to the Grand Canyon state  
Land of ungracious living  
Where all the boys drive around on horses  
And girls stand beside them  
Mesa, mesa  
We're comin' back home  
Yeah, yeah, yeah, yeah  
We're on our way to the Grand Canyon state  
Land of ungracious living

Where we can two step all night long  
At the denim and diamonds  
We're on our way to the Grand Canyon state  
Land of ungracious living  
We're on our way so let's not delay  
Let's not delay, let's not delay  
Where all the boys drive around on horses  
And girls stand beside them  
And girls stand beside them  
And girls stand beside them
