I'm cryin' tears of joy, I'm cryin' tears of pain, I'm cryin'  
tears of joy  
They run down my face into a river that winds it's way  
into your life

Welcome little one, to this place of earth and stone  
Welcome little one, all blue eyes and innocence  
The world is so much colder than your own soft glance

Chorus:

Hey, it's a human race, hey, it's a brave new place  
Hey, now you're at the gate  
Welcome to the real world, there's so much to learn,  
welcome to the real world  
Welcome to the real world, there's so much to learn,  
welcome to the real world

The past is a memory, the chains that were choking me  
I'm cryin' tears of pain, I'm cryin' tears of joy  
I see my freedom lying in my arms tonight

(chorus)

(Welcome to the real world) I know you'll find your way  
(There's so much to learn) in the real world  
(Welcome to the real world)

(Solo)

Welcome to the, welcome to the (there's so much to  
learn)  
Welcome to the (welcome to the real world) welcome,  
welcome  
(Welcome to the real world)
