Sittin' all alone
Don't know which way to go
I just need some direction
Just wanna go home
I look to the moon
So it can guide my way
I better get on my feet
Or this is where I'll stay

Crystal balls & tarot cards
It's all the same in the end

I've opened up my eyes now
I've got a lot on my mind
I search for answers that I know I'll never find
I could take the easy road
But I know it ain't right
What to do for survival
How to make it through this life

Magick stones, pulled or thrown
It's all the same in the end

I'm lost again (oh no, here we go again)
I'm lost again (I'm losing my mind. . . I'm losing my way)
I'm lost again (oh no, I'm out in the cold . . . I don't know. . . where to go)

This path keeps changing, changing every day
With my soul to guide me I know I'll find my way
I look to religion but the vision hasn't grown
I guess these are lessons that I've gotta learn alone

I-Ching and angels wings
It's all the same in the end

I'm lost again (oh no, here we go again)
I'm lost again (I'm losing my mind. . . I'm losing my way)
I'm lost again (oh no, I'm out in the cold)

Iâ'm losing my way. . . back. . . home

Lost again (oh no, here we go again)

Iâ'm lost again (Iâ'm losing my mind. . .Iâ'm losing my way)

Iâ'm lost again (oh no, Iâ'm out in the cold . . .don't know where to go)

Iâ'm lost again (oh no, here we go again)

I â'm lost again (Iâ'm losing my mind. . .Iâ'm losing my way)

Iâ'm lost again (oh no, Iâ'm out in the cold . . .show me the way back home)

Lost again
