[Chorus]

I wanna see you move your body
I wanna see you just get low
I wanna see you break it down
I wanna see you touch your toes
Just move your body, just move your body, just move

Move your body, just move your body, just move your
body
Girrrrrrrrrl

[Verse 1]

12am looking fresh in the club
Stepped out the jeans dc looking fresh on doves
Ladies all over me tryna show me love
But im straight wolverine just pass me the drugs
Another night, another party
With blue pills mixed in a rare bicardi
I want some more, baby gimme your body
And we can convesate at the after party
Haha thats all i got
Gimme one more chance take it straight to the top
Baby lean on me and let that body rock
Causeâ' you rockinâ' that thing like you never gonna

I love your hips i love your thighs
Girl make that thing clap gimme a surprise
Youâ're the best i ever had baby girl no lie
And ill take you to the stars baby girl lets fly

[Verse 2]

Now bring the waiter over here
Theres too much smoke i cant even see clear
I need another drink man get me a beer
Theres too many shawtys in the club right here
Hahaaaaa and to the champagne room
My mark-checkered googles got em set on zoom
Im lookin at you girl and im ready for the move
Cause i wanna leave the club with just me and you
Thats right,
You know im straight rockstar

Ill call up the waiter and ill say ill buy the whole bar
Its me and you baby in the club so far
Till i get some action in the back seat of my car
Now shawty whatchuÂ' need
I got the magic stick thatÂ'll keep you coming for free
Flaming girl im what you need
Cause every girl in the world be looking at me

[Chorus]

I wanna see you move your body
I wanna see you just get low
I wanna see you break it down
I wanna see you touch your toes
Just move your body, just move your body, just move

[Verse 3]

One more time let the booty get low
I wanna see you shake till you hit the floor
Apple bottom jeans yeah girl for sure
Cause i love that onion and i want some more
Hahaaa I got a mouth full of sugar
Cause youÂ're looking way hotter than a playboy porno
You even worth her tonight?
Why wouldnÂ't u?
You even worth me tonight?
Why wouldnÂ't u?
Baby girrrrl you only want my diamonds
Cause the paparazzi askinÂ' hey why you shining
Just say its cause mr OctoberÂ's grinding
And hereÂ's another necklace girl quit your whining
Now if you want some of me
Ask your bestfriend how she got it for free
If you lick me like a lolly till my names uzi

And you'll find me in the club where ever ill be

[Chorus]

I wanna see you move your body

I wanna see you just get low

I wanna see you break it down

I wanna see you touch your toes

Move your body, just move your body, just move your
body

Girrrrrrrrl
