This goes out to someone that was once the most important person in my life i didnt realize it at the time i cant forget myself for the way i treated u so i dont really expect u to either its just i dont even know just listen

Your the one that i want the one that i need the one that i got to have just to succed, when i first saw you i know it was real im sorry about the pain i made you feel that wasnt me let me show the way

i look for the sun but its raining today i remember when first looked into your eyes it was like i was there heavin in the skys i war byr the skys cuz i didnt want to get hurt but i didnt no it made everything worse you told me we were crazy in love but you didnt care when push came to shove if u loved as much as u said you did then wouldnt of hurt me like i aint sh*t now u push me away like u you didnt even new me i loved you in my heart really and truly

i guess u forgot al the times that we shared when i would rum my fingers through ur hair late nights just hopping u in my arms idk how i could do u so wrong i really wanna show u i really need to hold u i really wanna know u like know one else can know u ur number 1 always in my heart and now i cant believe that our love torn apart

i need u and i miss and i want u and i love cuz i wanna hold i wanna kiss u u r my everything and i really miss u i need u and i miss and i want u and i love cuz i wanna hold i wanna kiss u u r my everything and i really miss u

I know u ganna set and play this with ur knew man and then sit laughing holding his hand the thought of that just shatters my heart it brakes in my soul and it tears me apart all times it was of i was scared to show now i wanna hold u until cant hold u without u everything seems strange ur name is FOREVER plant it in my brain damn it it i been saying take away the pain take away

the hurt baby we can make it work wat about in u
looked into my eyes told me u loved me as u would
hugged me i guess everything u said was a lie i think
about it< it brings tears to my eyes now im not even the
thought in ur mind i can see clearly my love is not blind
i need u and i miss and i want u and i love cuz i wanna
hold i wanna kiss u u r my everything and i really miss
u i need u and i miss and i want u and i love cuz i
wanna hold i wanna kiss u u r my everything and i
really miss u

our 1st date it seemed so magical i remembered all
the times that i had wit u remembered u 1st came to
my house u looked like an angle wearing that blows we
hit the door i knew it was real but now i cant take all the
pain that i feel reach in ur heart i no im still there i dont
wanna hear that u no longer care remeber the times
remember when we kissed i didnt think that u would do
me like this i didnt think u wanna see me depressed i
thought u be there for this i confesse u said u were my
bestfriend was that a lie now im nothing to you u with
another guy i tried i tried i tried and im trying now the
inside i feel like im dying i need u and i miss and i want
u and i love cuz i wanna hold i wanna kiss u u r my
everything and i really miss u i need u and i miss and i
want u and i love cuz i wanna hold i wanna kiss u u r my
everything and i really miss u
