[Chorus]

This is for my unborn child, everything I do is for you
Working on how to make things right, just for you
This is for my unborn child, everything I do is for you
Working on how to make things right, just for you

I just can't wait to see your face
To hold you in this place
You're my baby and you were made with love
Sent from the heavens up above
I can't wait to see your smile
But I need to wait a while
Cuz you're my baby
Yea, for you I'd go crazy
Oh
I just can't wait to see myself in your face
You're a product of me and your momma's love
And we were graced
Now I'm glad I was blessed
And happy to contest
If we can get it all started and provide you all the best

[Chorus]

This is for my unborn child, everything I do is for you
Working on how to make things right, just for you
This is for my unborn child, everything I do is for you
Working on how to make things right, just for you

The time is coming
And mommy's tummy is getting bigger
Dreamin about the day when I can hug ya and kiss ya
Your my motivation a brand new generation
I'll do my best to guide you through these times of bad
temptation
I'm a man now, finally understand how love is
supposed to be
Whenever you chose to be I'm really proud
My life has changed, and it's you that I blame
I'm thankful for your persistence
I'm so glad that you came
I just can't find the words to express my feelings inside
You're my reason for living, another chapter in my life

Baby I love you
And I want you to know
That I'm here from the beginning to the end of the road

[Chorus]

This is for my unborn child, everything I do is for you
Working on how to make things right, just for you
This is for my unborn child, everything I do is for you
Working on how to make things right, just for you

Mi bebita preciosa, tu eres mi tesoro
Nunca te cambiare por nada en el mundo por que te
adoro
Ya no puedo esperar aver tu sonrisa
Y nos ponemos a rezar cuando vamos a misa
Para que llegues sana, y no te falte nada
Tu eres lo major que me ha pasado aparte de tu mama
Eres mi vida, mi amor, mi alegria
Te quiero tanto aunque no te tenga todavia
Tu primer palabra, y tus primeros pasos
Es lo que quiero mas aparte de tenerte en mis brazos
Ya se aserca el dia, mas alegre de mi vida
Estar los tres juntos, y ser una familia

[Chorus]

This is for my unborn child, everything I do is for you
Working on how to make things right, just for you
This is for my unborn child, everything I do is for you
Working on how to make things right, just for you

[Talking]
