{OG Playboy}

Iâ€™ve been loving you, loving you,
Iâ€™ve been missing you, missing you
Iâ€™ve been wanting you, oh, missed you baby
I remember the first day we met,
Iâ€™ll never forget oh how I missed you through baby

{Mr. Sancho}

Baby look at what I do just to get by you
When I really wanna know you
True kuz I wanna do all the things you do
When youâ€™re alright and Iâ€™m blue
I remember the times when you use to cross my mind
For no reason, baby no teasinâ€™,
Gotta be ego gonna be the bringer for your pleasinâ€™
I remember the times when you use to blow my mind
Mami mira en lo ando, tanto siento para separarnos,
Cada vez te dejo en charco soy el Sancho del aÃ±o
I remember the times when we use to bump and grind
Everyday in my life I look back
And think twice of my memories of you
Girl you know you miss me too
Although I donâ€™t see you and I donâ€™t know what to
do, girl

{Chorus}

I remember the times when you use to blow my mind
You broke me off all the time when you were mine
I remember the times when you use to cross my mind
You broke me off all the time and now Iâ€™m missing
you

{Silencer}

Whatâ€™s up mija? I wanna spend a little time with you
Because I really wanna get to know you
And you tell me that you feel the same
And then you tell me that you wanna hold me
Sabes que te quiero mija,
Do you wanna take a ride mija?
I think about you everyday kuz youâ€™re my beautiful
mamacita
When I listen to the oldies youâ€™re the one I think about,
youâ€™re so fine
Youâ€™re my everything and Iâ€™m youâ€™re everything,
donâ€™t be shy

IÁ'ma spend a little time with you, and IÁ'm gonna stay
with you
I know you love it every time that IÁ'm with you
So now IÁ'm gonna kiss you
Cada noche, cada dÃa, y mija tu eres mÃa,
Yo te quiero para nomÃis por que tÃº eres mi vida
Here I am, here I go, all the hynas all around they
wanna know,
Does he have a lady, does he have a girl?
YouÁ'll never know, donÁ't you ever let me go, I donÁ't
wanna be alone
I just wanna have a little fun
I promise I wonÁ't play with your corazon
ThatÁ's how it is, and thatÁ's how it goes,
Keeps this in mind baby doll, itÁ's Silencer from Low
Pro
{Chorus}
I remember the times when you use to blow my mind
You broke me off all the time when you were mine
I remember the times when you use to cross my mind
You broke me off all the time and now IÁ'm missing
you
{Mr. Sancho}
I find myself at the place where we first kissed kuz IÁ'm
missing you
Mami because youÁ're the sh...
And you never get pissed when I did your homegirls
I canÁ't deny IÁ'm so glad you walked into my life
DidnÁ't get corrupted by the nosy public
Till I introduced her to this song she loved it
Now sheÁ's bumpinÁ' me, you know that LPG,
You tell me when heÁ's leaving so that I can sneak in
I still have in my mind, how you made me lose my mind
Player, mija, youÁ're my player,
Girl you think just like me got a man I can see
But youÁ'll always be there for me, girl
Player, mija, I am your player
Girl, you know what to do when youÁ're feeling lonely
my boo
And IÁ'll always be there for you, girl
{Chorus}
I remember the times when you use to blow my mind
You broke me off all the time when you were mine
I remember the times when you use to cross my mind
You broke me off all the time and now IÁ'm missing
you
