### (VERSE ONE)

Man, I do things automatically like parking that new  
Lexus  
Imma teacher, I teach them how to get it how to spend  
it how to finger four the money like wrestlers  
Take lessons from the bestest, no expiration on my  
freshness  
And the chicks they love my fashion Louis vuttion kicks  
with the shades to match it  
Louis vuttion belt to keep up my sevens  
I show up dust to dust ashes to ashes  
Killin them  
You can't follow my pattern I float on carpet like  
Aladdin  
So fly  
Even in my casket first day of school is everyday ta me  
basterds  
I know you can't stand it  
My chain so silly got my tee shirt laughin ha ha  
(Hook)

What you witnessin is automatic automatic  
See me glissinin it's automatic automatic  
It really aint that deep  
I can do this in my sleep  
Yea it's like a habit cause it's automatic

### (VERSE TWO)

I talk she come  
I look they run  
I get it no sweat no panic  
I see I cop it I wear it they want it  
But I got this across the Atlantic  
See I'm paying a different type of taxes  
I shop where I want just spin the atlas  
I'm not where you from we got different habits  
My shoe faddish got my more boxes then clashes

I got my city on lox like sway

Face it I do it in my sleep  
Wake up do it again  
My swag like juice and gin  
Champagne in glass  
Small waist with ass  
Slip on Gucci's with the robe to match dag
