Keep you in tree bark
You know it is 3:10
Keep you in tree bark
And so it was the ennnd

Sinning your skeletons
Sync as their phones come marching in, again
They see your ferry sink
The seekers of the sea are never ready
Tard, you ready?
Replenish vaccant sins
Dumd fleeing ignoranrs
That hole, in the fence

Spamming infinitely, oh
The wheel mouse is on me
It's never sending never sending
Killing Torys

What if ice ate it's not like the others
What if ice ate I'm not just another lunatic
It's only pre-tender
What if ice ate it'll never serve Rander
(Repeat)

In time on soul it's old
I'm justice and I'm on sale, Oh whales
The paige is outta prant
We are not goin to sing chorus lines
Blah blah blah blah blah
Blah blah blah blah

I'm the void in cider head you refuse your ear
I'm the vase that you have to face mirrored on a stair
I know left I know right I'm the end of me
I'm a hat that will bring you doubt
Wring you to the sea

So hoot on 2
Yeah hoot on 2
After I quit
And that's right now!
