Hold on little girl, show me what he's done to you
stand up little girl, a broken heart can't be that bad
when its through, its through
fate will twist the both of you
so come on baby, come on over
let me be the one to show you

(chorus)

I'm the one who wants to be with you
deep inside i hope you feel it too (feel it too)
waiting on a line of greens and blues
just to be the next to be with you...

Build up your confidence, so you can be on top for
once
wake up who cares about, little boys that talk too much
i've seen it all, go down
the game of love was all rained out
so come on baby, come on over
let me be the one to hooooooooold you.....

(chorus)

I'm the one who wants to be with you
deep inside i hope you'll feel it too (feel it too)
waiting on a line of greens and blues
just to be the next to be with you...

Why be alone, when we can be together baby
you can make my life worth while, i can make you start
to...
smiiiiile

When its through, its through
the faith will twist the both of you
so come on baby, come on over
let me be the one to show you...

(chorus) X 2

I'm the one who wants to be with you (i'm the oooone)
deep inside i hope you'll feel it too (feel it too)
waiting on a line of greens and blues
just to be the next to be with you...

----- :)
