He runs around

Like it's a monkey do situation

Reach sown into his soul

And get nothing at all

Ride the wave

In a bubble made of plastic
In a water color world that's...
Superfantastic
Everything is beautiful
Nothing's too tragic

In the heads

Of happy people

Bedtime stories,

Morning glories

Blue skies and
The perfect life
For you and me
Look into the eyes

Of the man and see

The main attraction

Living off the fat of the land

And standing tall

Mr. Feel Good craves satisfaction
Like an all day sucker....
Superfantastic
Everything is beautiful
Nothing's too tragic

In the heads of happy people

Bedtime stories, morning glories

Blue skis and the perfect life

For you and me
White bread, black tie,

Big boys don't cry
