Words in my mouth

Someone told me to say

They go unspoken

My mind gets in the way

I hold my tongue

Save my, save my soul

True to myself

And stay gold

Sometimes you gotta pull the plug

Somewhere a little place to crawl

Love me for who I am

It doesn't have to be this hard

For an ordinary man

I wanna take cover, take cover

From you, wake me when it's over

Take cover, I wanna take cover

From you

Sold all my dreams

Watched them all disappear

I've spilled my blood

No one seems to care

Sometimes you gotta pull the plug

Somewhere a little place to crawl

Love me for who I am

How low do I have to go to make you

Understand
