I. There ought to be a law against it  
To lead a man on and then let him go  
What's the world comin' to  
When you can't slide into home

II. Tell it like it is woman  
Tell the boy maybe or never mind  
We could go all the way  
The big boys don't like to waste time

Chorus:  
Wind me up-  
I need enuff to keep me satisfied  
Wind me up-  
I wanna hold you but my hands are tied  
Wind me up-  
You kiss me quick and then  
You turn me off  
Wind me up-

III. The only way she winds you up  
Is when you ask for too much trouble  
Ain't no room for a 2nd chance  
When the first one ain't even over

Packed with a powerful love  
That I just can't get enough of  
Lay your cards on the table  
Baby make no mistake about it

Chorus:  
Lead Solo-  
Breakdown-sexual jargon  
Chorus out-  
It's time to let the cat out of the bag
