{Hey Mijo, it's me again. I've been tryin to call you  
already  
5-6 times your not pickin up your phone and I'm worried  
Es son las tres en la manana babe donde estas? }

I know I always bring this up but now it's time we talk  
Mijo please take a lil minute sit back and relax  
Listen to my words I ain't tryin to be your mom  
Te quiero mucho por favor and I deserve to u know  
what's up

All those late night calls, when u gotta bounce  
Your homies coming first what's that all about?

I fell in love with a gangster yea, that's right  
But I don't think u realize how I hurt inside  
Always worryin, mi pelon, if your comin home  
That's why I call u so much when you leave me alone  
I don't wanna bug and this I promise you but in this  
situation  
It's so hard to trust you I care about you so much lovin  
you like  
Crazy all I really want is to have your little baby  
Tell me that you love me, you will never leave me  
Soy la reina de tu vida and your happy to be with me

Daddy let me know that I'm your only girl  
The only man that I need in this gangster world  
Is you and I wouldn't trade it

So why you think I would lie? won't you tell me girl?  
The only one that I need in my gangster world is you  
And I wouldn't trade it

See, I kno it's been a struggle I can see in your eyes  
Tear drops, they fall get me everytime  
Baby girl don't cry understand that I try  
The only hope that I hold in my gangster life  
I hold you dear to my heart when I'm out in the night  
Tryin to make a lil money then come home to a fight  
A little fuss can't trust that's it's never enough  
Was imbraced by your touch in this thing called

Love I was released by prestige with your hand on  
My knee I got jar full of? so we all can eat  
Comprehend that I spend most my time in the street  
And all these other wicked women don't matter to me  
It's not like I'm just tryin to get up and leave I work hard  
every  
Minute in the face of defeat I stopm my feet in pride  
Knowing that your by my side what you think I was just  
Gonna let you walk on by?

Daddy let me know that I'm your only girl  
The only man that I need in this gangster world  
Is you and I wouldn't trade it

So why you think I would lie? won't you tell me girl?  
The only one that I need in my gangster world is you  
And I wouldn't trade it

I understand what your tellin me but it's so hard  
Always fuss and we fight tell we back at the start  
Te amo te quiero mi crazy vato vanquero  
Se le k yo tengo con tigo pero te tengo  
I know you mean well when you hold me tight  
The only one who can handle me like  
Every fight and I cherish all the times that  
I spend with you hold your pictures in my hand  
When I pray for you this is gangster love and I'm  
Down for whatever lay me down on the cama  
And enjoy that were together turn on the candles  
Hickies on my cuello mi firme verterano mi firme  
Panqitero always down to ride with you like bonnie  
And clyde with you I'll always stand with you forever be  
true  
Keep you on my mente siempre mi vida I'm a  
gangster's  
Wife to an anybody killa

Daddy let me know that I'm your only girl  
The only man that I need in this gangster world  
Is you and I wouldn't trade it

So why you think I would lie? won't you tell me girl?  
The only one that I need in my gangster world is you  
And I wouldn't trade it

[Phone rings]  
Hello Mijo, where are you?

[Chino:]  
Hey babe, I just called to tell you, I'm  
Right here on the border and that I'm comin home
