That's right, Ms Krazie,  
Reyes Urbanos  
Para cualquier puto  
Hijo de la chingada  
Ya sabes quiÃ©n eres...  
y Ã©sta es educada!

I once thought i loved you, can't believe that i did  
then u left, went away, so i did what i did  
I can't believe it when they told me that they've seen  
you with somebody who's a bitch  
let me at her so you called up everybody, and you told  
them what to say cuz i asked you for an alibi?  
what chu think i'm stupid fool?  
i'm not the one that's on your mind!!  
now look at me, what the fuck you tryna hide?!!!  
i ain't about to waste my time on a wordless homicide  
im'a put chu to the side and forget about it all  
but before you go away let me tell you what i saw  
saw you look over your shoulder everytime  
that you're in town when you're out with that hoe  
and your girls i've seen around  
catch you on the rebound,  
i've seen you walking with her,  
now i don't know why you changed me for her,  
that's a blur  
ugly ass piece of shit of a rat you're dealing with  
but fuck it, I don't care, i'm not the one who's hating it

Now I don't give a fuck about chu  
and if I ever did, vale verga my reaction  
I went through hell and back with chu  
separated from reality  
Pues I dont think I can remember what the fuck I saw en  
ti

Now I don't give a fuck about chu  
and if I ever did, vale verga my reaction  
I went through hell and back with chu  
separated from reality  
but now I'm gone chinga tu madre guey no creo en ti  
Now your happy with her? That's for a limited time

then my phone rings up and it's you on the line!!!  
telling me que te perdone por haberme traicionado  
q me quieres y me extrañas y que mucho me has  
llorado  
guárdate tus pinches cuentos, I don't believe you!!  
and maybe this time I'll be the one to deceive you  
Fuckin perro desgraciado vete mucho a la chingada  
y gracias a ti ahora soy una malandra  
watch me picking up vatos and then dropping them  
al suelo volviéndolos adictos al dinero y al cemento  
arrancando con sus vidas como tío con la mamá!!  
yo que tanto te quería y tío no me merecías  
but fuck it, ya lo hecho está hecho  
and as i'm playing vatos stab you straight in the pecho  
that's right you heard it straight  
from the Mistress of Latino Rap  
and im'a always treat you bad like that you fucken bitch

Now I don't give a fuck about chu  
and if I ever did, vale verga my reaction  
I went through hell and back with chu  
separated from reality  
Pues I dont think I can remember what the fuck I saw en  
ti

Now I don't give a fuck about chu  
and if I ever did, vale verga my reaction  
I went through hell and back with chu  
separated from reality  
but now I'm gone chinga tu madre guey no creo en ti

Ya no lloro por ti, algún día yo me dā cuenta  
que con lágrimas de sangre acababa casi muerta  
ya mis manos maltratadas llenas de esas cicatrices  
admito fui una estúpida al ver como me finges  
ya vendrá ese día en que llegue ese amor  
un vato firme peloncito que no me cause dolor  
busco un vato loco que conmigo se cobije  
el que está aquí conmigo cuando yo lo necesite  
cruisin it on a sunday afternoon with him  
until then do us apart im'a be with him  
ain't no time wasted in when we're between the sheets  
packing clips between my tits to close his lips but  
until that day comes im'a always be your rider  
and still down for that clear white fog to take me higher  
y ya te dije my love was never your fuckin toy  
so if you have something to say kiss your mouth  
homeboy

Now I don't give a fuck about chu  
and if I ever did, vale verga my reaction

I went through hell and back with chu  
separated from reality  
Pues I dont think I can remember what the fuck I saw en  
ti

Now I don't give a fuck about chu  
and if I ever did, vale verga my reaction  
I went through hell and back with chu  
separated from reality  
but now I'm gone chinga tu madre guey no creo en ti
