I spent 23 years trying to be what you wanted me to be  
Though it seemed like you couldn't save me  
'til I picked up the mic and I was on the TV  
Now you're ringing off my phone like every week  
Where were you at 6,7,11 and 13 when shit was  
impossible  
Mama left nine months pregnant  
But she came home alone from the hospital

How could you call yourself a man if you can't love your  
own unless you can control them  
You'd rather destroy their souls and she was 13 years  
old and you could've protected the innocence from  
being stolen  
And I don't give a damn what you was going through  
when mama wasn't able  
To put food on the table  
You left the family unstable  
Now you come around acting like you want some kind  
of appraisal

You can't play like you daddy now  
And you can't claim shit 'cause you weren't around  
And you can't get mad but what can you do?  
You can't tell me shit  
I'm grown without you

I spent 23 years trying to be the fucking man you  
should be  
Taking care of your responsibility  
Putting clothes on our back and shoes on our feet no  
help  
But you always had your bag of weed  
Where were you at 12,13, 14 and 15 when life was  
unliveable  
Momma was so damn angry the way she treated me  
was unforgiveable  
You call yourself a man your oldest son he had to learn  
from his sister  
How to put a niggers fist up, how to fuck a niggers shit  
up and knock out any motherfucker that had come and

tried to diss us  
And I don't give a damn what you was going through  
And I needed saving I spent my every second blazing a  
little girl with a blade and trying to fuck up and take my  
life just wanted to dig my grave and..

You can't play like you daddy now  
And you can't claim shit 'cause you weren't around  
And you can't get mad but what can you do? (now what  
you gonna do?)  
You can't tell me shit I'm grown without you

You can't play like you daddy now  
And you can't claim shit 'cause you weren't around  
And you can't get mad but what can you do? (you can't  
do a damn thing)  
You can't tell me shit I'm grown without you  
I'm grown without you  
I've grown without you  
Can't can't come and come and tell me, do not
