[Verse 1:]

I've been doing this shit, for a very long time  
That's why I'm gonna take yours, while I'm still getting  
mine  
Eh visto un chingo de rukas, Bitches think they? grew?  
bad  
Tell me who's the one putting Mexico up on the map.  
Who's the one making moves without dick sucking  
Who's the one all the haters wish that she would stop  
rappin  
All the same thing, Mexican rap won't stop  
And for me is the same, cause you know I keep it hot.  
I'm sitting down at the trono and I ain't giving it up  
You wanna start some desmadre, come tell me what's  
up  
Si tantas ganas tienen, de querer ser la mejor  
No sean tan putas Y talvez depues les vaya mejor  
But they, that ain't a promise, got my little girl coming.  
When she steps into the scene she'll have all you hoes  
runnin.  
Y es al verdad te lo aseguro en tu cara  
And what you have on me, let me see you ain't got  
nada.

[Chorus:]

I'm the one the besos que si valen una feria  
Yo soy la de la esquina, incomparable bitch I'm tellin  
ya.  
So if you didn't know, Now you know  
So move the fuck aside and  
Let the realest loca on the map do what is alright.  
Now all you rukas know just how win but if you try to  
step to me  
Thinking that you're gonna take mine.

[Verse 2:]

I didn't have no fucking her? right? influence  
I didn't need to look? got? to no bitch to make music  
I've rapping for eight years, come on I'm a vet now  
Some of this hynas now, they need to back down  
Making look bad Flakiss was bullshit  
Come on girl do us all a favor Shut the Fuck Up!

Regardless of your label, tu disco es basura  
No te atrevas a enfrentarme aunque estes tu bien  
segura  
No es mi culpa si tu eres solamente una farsa  
No me puedes responder estas offensas que te pasa!  
Pinche verguena in the rap game, sierra la boca cause  
your shit is lame.  
No tendo miedo de una puta nina fresa  
Y escuchando tu mis rimas, yo te rompen la cabeza.  
Yo si escribo mis canciones, no como una principiante  
Contestame cabrona es lo que quiero adelante.

[Chorus:]

I'm the one the besos que si valen una feria  
Yo soy la de la esquina, incomparable bitch I'm tellin  
ya.  
So if you didn't know, Now you know  
So move the fuck aside and  
Let the realest loca on the map do what is alright.  
Now all you rukas know just how win but if you try to  
step to me  
Thinking that you're gonna take mine.

[Verse 3:]

Now I don't mean to disrespect all them real firma  
rukas  
Puttin down by the talento on the mic es lo que  
escuchas  
But once in a while you get stupid ass mocosas  
Saying that she representing for the ladies que babosa  
SHE ain't rapping for me, or any of my perras.  
You knew you had this comin, Ya no ay tiempo para  
quejas.  
Ay un chingo de talento en las calles que no as visto  
The real movimiento the females [? ]  
Anticiapad por las calles, de eso tu no sabes.  
Take a look around mas vale que no hables  
This the real shit, Y desde el trono es la llamada.  
Espero oir tu voz? tengangusta? aguitada  
I'm a always be around for whatever is fucking clever  
And I'm a clown on that bitch, por pendeja, that forever  
Mexico represento, Sangre azteca es lo que sale  
Y del imperio eh llegado Y si tu gusto no me vale.

[Chorus:]

I'm the one the besos que si valen una feria  
Yo soy la de la esquina, incomparable bitch I'm tellin  
ya.  
So if you didn't know, Now you know  
So move the fuck aside and  
Let the realest loca on the map do what is alright.

Now all you rukas know just how win but if you try to  
step to me  
Thinking that you're gonna take mine.
