Verse 1:

You sneaky ass puta,
Got yourself in this mess por estúpida
You actually believed he would leave me for you
When I got his last name, what the fuck do you
It takes more than a hoodrat to fuck with my head
To fuck up my home, yeah you heard what I said
Don't act fucken new
Cuz you got him to look
That doesn't mean a shit atleast in my book
Why you dipping el sal he's fucking with me
And I'll fuck him in front of you
So you see and you finally know why he aint going out
Wish that he could, but my tits in his mouth
Why you acting surprised
Did you think you could get him to be in your life
No te ases tontita

Verse 2:

Pendeja culera
You fucken ramera
You know why your ass is alone ofresida
You knew he was married but you wanted dick

That you couldnt see I was right there behind you
Just wait til I find you now
How in the hell could you be so dumb take one look at

Why the fuck should you run
To some fucken hag when he gots it around

I know you told him I don't give a fuck what he said
So you with my head
Cuz it didn't happen with you overnight

To make him forget that he had a wife
