the things that you promote  
fighting, violence, like you  
don't want to grow old  
you talkin so much sex,  
but you na tell the youths about aids  
and you na tell them of  
consequence, no  
you talkin like you a GP  
but you a killer killing your own  
you're just a racist man's fossey  
tell me who wants to know  
what, when, who, where  
or how you lose control  
certainly not me, certainly not me  
'coz baby personally  
i like to be challenged mentally  
i've heard it all before  
gangstas pimps and whores  
quality is poor  
a girl like me needs more

it takes more (it takes more)  
to amuse a girl like me  
so much more (much more)  
to confuse a girl like me  
they've got you (got you)  
'cos while you're braggin bout your badness  
you're just, avoiding, adding  
to the real shit that's happening to us

now who gives a damn  
about, the ice, on your hand  
if it's not to complex  
tell me how many africans died  
for the bagettes on your rolex  
so what you pushing a nice car  
don't you know, there's no such thing  
as superstars  
we leave this world alone  
so who gives a shit  
about the things you own

certainly not me, certainly not me  
'coz baby personally  
i like to be challenged mentally  
content's insignificant  
and it don't help to pay my rent  
it's pure negativity that you  
impose on we

it takes more (it takes more)  
to amuse a girl like me  
so much more (much more)  
to confuse a girl like me  
they've got you (got you)  
'cos while you're braggin bout your badness  
you're just, avoiding, adding  
to the real shit that's happening to us

now i can sit and talk, chat and spit about how i sex  
but my business is my business i got self respect  
i could talk bout how my press could pimp mans dough  
get the keys to his ride and his home  
but i looked it up and that would make me a ho  
little sisters now i really gotta let you know  
real women ain't sexing for no mans dough  
real women work hard to make their own  
we can all chat bout gats and blacks on blacks  
and force the hypes and all the stereotypes  
we use to watching, that ain't what i'm here for  
show them to think higher and aspire to be more

it takes more (it takes more)  
to amuse a girl like me  
so much more (much more)  
to confuse a girl like me  
they've got you (got you)  
'cos while you're braggin bout your badness  
you're just, avoiding, adding  
to the real shit that's happening to us

it takes more (it takes more)  
to amuse a girl like me  
so much more (much more)  
to confuse a girl like me  
they've got you (got you)  
'cos while you're braggin bout your badness  
you're just, avoiding, adding  
to the real shit that's happening to us
