When I Had U
I Was Only 16 Years Old
But Never Once Did I Think
My Life 4 U Was Wrong
Si Mama Luved U Mija
Since B4 U Were Consived
I Already Had Da Luv Inside
4 When Ever I Would Resived U
Tender Luv & Presious Heart
Little Hands Grabed My Finger
I Wish I Could Explain
U Took My Finger Off Da Triger
Since Da First Day Da Docters Told Me
Dat I Would Have U
So Full Of Joy In Me
And Ur Dad Wanted 2 Hug U
U Were Never A Mistake
I Wanted 2 Get Pregnant
Never Regret It
Da Days Of Throwin Away My Breakfast
Cuz All My Luv & My Life Es Para Ti
Te Quiero Mucho Mi Ninita
Tu Eres Toda Para Mi
