Even if one day you decided to just walk out of mi vida
pretend i dont exist y darne ya como perdida
erase all my pictures from your cellular phone
and move away from the town that one day i called my
home

block out of your mind all good time we had
all the memories i held in this broken heart
of mine and never tell anybody anything regarding me
maybe you dont wanna know whats going on with me
have i forgotten you have i forgotten everything i
promised

together forever always is what this love is
or what it was suppose to be before we fell apart
but we havent even startd so ill leave that up to god !
(Hook)

yo quiero que sepas
por si alguna vez te vas
por que si me dejas
no te olvidare jamas
yo quiero que sepas
por si alguna vez te vas
por que si me dejas
no te olvidare jamas

imma always have your back and dont you ever forget
it

i loved your right to the death baby im sure of it
ive been gone for a minute and ive been a little crazy
but my heart is with you baby im your one and only lady
so if you ever think of walking away
ima still have love for you what can i say
i loved you once and yup imma do it again
your my soul mate and what i felt for you ill never feel
again

i promise im not the type to simply become heartless
and let it all go and think of everything as harmless
ya estuvo

ima have to build up my paciencia
and keep you in the mind of this aka demencia
(Hook)

yo quiero que sepas
por si alguna vez te vas

por que si me dejas
no te olvidare jamas
yo quiero que sepas
por si alguna vez te vas
por que si me dejas
no te olvidare jamas

jure que por vida tu corazon
pero mi vida loca nunca ayudo
quiero que sepas por si te allejas
que aun te amaria hasta el fin de mi vida
what am i suppose to do without you
i bet a lot wished that id speak about it
talk you down see if you'd fight it
make a big thing about it when deep down in my cora
i still got love for you ahora and still your wicked
minded chola

(Hook)

yo quiero que sepas
por si alguna vez te vas
por que si me dejas
no te olvidare jamas
yo quiero que sepas
por si alguna vez te vas
por que si me dejas
no te olvidare jamas
