I bet you F**k real good

Why don't you show me this baby doll is feeling lonely

You got me hypnotized look it

I wanta F**k until tomorrow
You gave me a taste, so know I wanta check it out
On the bed, in the carro f**k that shit hasta en el

Cause chales, I know you my man, but you don't

See you need to learn quick

So why you trippin cabron

(X2)

I bet you f**k real good
Is what I thought when I first saw you
Y mira mira I knew I was right about you
You just had a... M?...
That's why I wasn't surprised

When you pulled down your pants & I saw what was
inside
You a freak, Babe Te Amo
Shit I would never leave you
The way that you do should be illegal
If we could just smash estuviera divino
How many times? don't even ask, baby un chingo
I always have these dreams,
You don't even wanta know
Or maybe I want you to know (or maybe I want you to
know)
So you can rest assure
That I aint got no time for cheating
I only want you
Cause f**king you is what I'm feeling

(Chorus)

I bet you f**k real good
Why don't you show me
You got my body feeling horny

I bet you f**k real good
Why don't you show me
This baby doll is feeling lonely

(X2)

Handling his pinche lady

Twice en la noche y otra vez por la manana

Put my hands in your pants
Ooh I know it's real
