Bitches come and go yet they talk a lot of shit behind your back but in your face they don't say nada saying this and that cause the puta had a big mouth osico that she used to suck the homie when she got down and they pretend that they don't know who the fuck this shit is when the whole fucken quadra knows that she's a whore it's plain and simple she don't need to explain they already got a clue to scandalous shit she bring it's not to long before she tries and take your vato you can either cry about it or sentarla bien sentaso pensilo bien if it was me I would just do it but then again that's just me crazy locs that's how I handle it fuck the hair pulling come back and just laugh at it. Scandalous ass hoe move out my way before I'm done with it she's the kind of chick that likes to schedule her fights and says meet me at the parque at a quarter to five so I was

Sittin at the park waiting for you
Sitting at the parke kickin back by my lonesome not
givin a fuck always ready if they want some
