"Sound Of The Underground"

Visit "[Sound Of The Underground](#)" on MotoLyrics.com

disco dancin with the lights down low,
beats are pumpin on ma stereo,
neighbours bangin on the bathroom wall,
their sayin crack the base i wanna get some more,

waters running in the wrong direction,
got a feeling its a mixed up sign,
i can see it in my own reflection
summit funnys goin on inside my mind,

i dunno what, its pushing me higher,
its the static from the floor below,
and then it drops, and catches like a fire,
its a sound i , its a sound i (knowww)

Its the sound of the underground
the beat of the drum goes round and around,
into the overflow,
where the girls get down to the sound of the radio
up to electric heights,
where the baseline jumps in the backstreet light,
the beat goes around and round,
its the sound of the under,
sound of the underground

Chain reaction running through my veins
Pumps the bass line up into my brains
Screws my mind until I lose control
And when the building rocks I know Its got my soul

Waters runnin' in the wrong direction
Got a feelin' its a mixed up sign
I can see it in my own reflection
Something funnies goin' on inside my mind
Don't know what its pushin' me higher
Its the static from the floor below
Then its drops and catches like a fire
Its a sound I, Its a sound I know

It's the sound of the underground
The beat of the drum goes round and around

In to the overflow
Where the girls get down to the sound of the radio
Out to the electric night
Where the bass line jumps in the backstreet lights
The beat goes around and round
Its the sound of the under
Sound of the underground

I don't know what it's pushin' me higher
It's the static from the floor below
And then it drops and catches like fire
Its a sound I, Its a sound I
Its a sound I, Its a sound I Know

It's the sound of the underground
The beat of the drum goes round and around
In to the overflow
Where the girls get down to the sound of the radio
Out to the electric night
Where the bass line jumps in the backstreet lights
The beat goes around and round
Its the sound of the under
Sound of the underground

The bass line jumps in the backstreet light
It's the sound of the under
Sound of the underground
The bass line jumps in the backstreet light
It's the sound of the under
Sound of the underground
