I want your lovin'
More and more
I want you kisses
That's for sure
I die each time
I hear the sound
There's sayin'
Here he comes
He's Cathy's clown

You know you've gotta stand tall
You know a man can't crawl
And when you let her tell you lies
And you let 'em pass you by
You're not a man at all

She don't want your lovin'
Anymore
She don't want your kisses
That's for sure
Why do you let them put you down
And let 'em call you
Cathy's clown
When you see me shed a tear
Then you know that I'm sincere
I just think it's kinda sad
That she's treatin' you so bad
And I'm the one who cares

I want your lovin'
More and more
I want you kisses
That's for sure
I die each time
I hear the sound
There's sayin'
Here he comes
He's Cathy's clown

You're Cathy's clown
You're Cathy's clown
