Na na na na na na na na na na na na na na na  
I'm gonna keep on keep on loving you  
You tell me to stop loving you that I'm just wastin' my  
time  
But you can talk till you turn blue you're not the ruler of  
my mind  
You're telling me that I am free and that I should be on  
my way  
You say that's how it's got to be but this is what I've got  
to say  
Nobody tells me what to do I'm gonna keep on loving  
you  
Every day my whole life through I'm gonna keep on  
loving you  
(Na na na na na na) na na na na na na na  
I'm gonna keep on keep on loving you  
You're telling me it won't be long until I've used up all  
my pride  
You may be right I may be wrong but that's one thing  
that I'll decide  
Nobody tells me what to do...  
(Na na na na na na) na na na na na na na  
I'm gonna keep on keep on loving you
