It's not supposed to be that way  
You're supposed to know I love you  
But it don't matter anyway  
If I can't be there to console you.

And like the other little children  
You're gonna dream a dream or two  
But be careful what you're dreamin'  
Or soon your dreams'll be dreamin' you.

It's not supposed to be that way  
You're supposed to know I love you  
But it don't matter anyway  
If I can't be there to console you.  
When you go out to play this evenin'  
Play with fire flies till they're gone  
Then you rush to meet your lover  
Play with real fire till the dawn.

It's not supposed to be that way  
You're supposed to know I love you  
But it don't matter anyway  
If I can't be there to console you...
