It's been a long time
Since I've had a good time
And I think it's high time I did
Could I have this dance
It feels like romance
And it's good to be feeling like this

The lights are down low
The band's playin' slow
To The beautiful Tennessee Waltz
How many love songs
And how many dance floors
have lovers like us waltzed across

Chorus 1:

So waltz me to heaven tonight
To the waltz of the angels we'll blissfully blind
On past the milkyway to paradise
Won't you waltz me to heaven tonight

Chorus 2:

Waltz me to heaven tonight
Honky tonk angels in heavenly flight
With the moon as our halo and the stars in our eyes
Won't you waltz me to heaven to - night.

Chorus 3:

Waltz me to heaven tonight
Hold your heavenly body against mine so tight
As the band softly plays on this magical night
We'll dance past the milkyway to paradise
With the moon as our halo and the stars in our eyes
Won't you waltz me to heaven tonight

Won't you waltz me to heaven tonight
