Low pro gangstas
Ms sancha
And I'm ready to blow

I'm freaky
I like it rough when we fukk
And no I can't get enough non-stop
We can do it anywhere
Cuz you work it so good
Got me kickin hittin switchez in your truck bounce
bounce
With some thick gangsta dicks
And alize in an ounce
Yeah it sounds like a party to me
And that's why I'm ridin with the LPG
Gotta get all my clips
I got a clit with lips
I gotta duece duece stash inbetween my tits
Just incase it goes down
While I'm going down
Nah I'll never let you get caught slippin
Cuz gangsbanggin don't stop
Or ms sanchas gon blast you from the bottom or the
top
Cuz I don't give a fukk while were fukkin
And all u enemies better start dukkin

(Chorus)
Come and get it get it get it get it
If your a rida
Get it get it get it get it
A southsider
I got a gangsta dick
Cuz I'm a gangsta chick
Only a real "g" knows how to put it on me
Come and get it get it get it get it
If your a rida
Get it get it get it get it

Cuz I'm a gangsta chick
Only a real "g" knows how to put it on me

I'm the baddest hyna on the block
When I wrap my vagina around your cock
I like the size of your glock
To feel the cold hard steel
Only makes me hot
So pull it out trucha
Tu eres loco,
4 play when the legs spread hit the po po
Aint no bitch downer than that ay
I'm firme, so damn nasty
You don't have to ask what I wanna do
Just take me to your casa call your crew
We can have a gangsta fiesta
Takin turns shootin cum on my tetas
Yeah! you can put it in my mouth
Just let me be the one to clean you out
I'll make you feel so good
Doin all the freaky shit that your girl should

(Chorus)

Come and get it get it get it get it
If your a rida
Get it get it get it get it
A southsider
I got a gangsta dick
Cuz I'm a gangsta chick
Only a real "g" knows how to put it on me
Come and get it get it get it get it
If your a rida
Get it get it get it get it

And that shits really got her all pissed

The dirrty dog wants to play w/ mi gato

(Chorus)

Come and get it get it get it get it

Cuz I'm a gangsta chick
Only a real "g" knows how to put it on me
