*****Chorus*****

If this is what you want
If this is what you want
If this is what you want(I, I, I, I Said)
If this is what you want
If this is what you want
If this is what you want (I, I, I Got It)
[Sing] If this is what you want
If this is what you want
If this is what you want
If this is what you want
If this is what you want
(Well then you better know I got this ****)

*****Verse 1*****

You should speak up if you're tired of same,
'Cause if your fate is to crash I'll get on another plane,
So who do you thinks to blame;
You buy in, and then later complain
But then you hate on that wack guy that makes it out
the flames...
I just wana hear good music... What a flipping shame
Gotta be DIY with the beats if not I'ma sit and wait
Believe today it's me not you, I lead my fate
This is that tribe music, Whiz!
Reign on parade

*****Chorus*****

*****Verse 2*****

You should speak up if you aint afraid to talk,
(Preaching, preaching, preaching) But never physically
walk,
I need to warp, And just get out this scene;
'Cause if you dream like me you know exactly what I
mean...
Tryna get to the front of the stage no economy seats,
You can never gain insight of my plan 1A no B.
Forget these mind games, boy you tryna jealous me?
But I know that them any and any chicks they aint got
nothing on me...
