I've got my sights on a brand new target
Pretty as a flower
She's got long long legs
Let me tell you
I aim to hit my target through

Her hair is long like a burnin' rose
Let me put you in the picture
She does all the right things anywhere it seems
She's the new girl in my dreams

Oh! What she does, she does it until you can't stop it
now.
(Can't stop her now)
She does it in a way like no other woman

When Eve came along, woman, from a man
To carry on

When God made woman from man
This little ol' devil said I'll take what I can
'Cos I know he don't understand
Evil is my woman. This devil is a man

It's a dirty job, but it's a gift from God
I know I can't refuse her
I'm at His command. I'm in the palm of her hand
As long as she just understands

Oh! She makes me feel like I'm the first lover she's
ever had
(And that ain't bad)
When God made man, he knew what He was doin'

When Eve came along, woman, from a man
To carry on

When God made woman from man
This little ol' devil said I'll take what I can
'Cos I know he don't understand
Evil is my woman. This devil is a man

I've got my sights on a brand new target
Pretty as a flower
She's got long long legs
Let me tell you
I aim to hit my target through

She's a bitch from hell
I know her very well
She put the "E" in Evil
Ah! But she just can't cope
'Cos she ain't got no hope
When she's wrapped against this little devil

Oh! I wish the devil would make it last forever and
that's a fact
'Cos there's a fire that's burnin' inside this little woman

When Eve came along, woman, from a man
To carry on lovin'
The world began with a woman and man
Oh! It's a miracle

When God made woman from man
This little ol' devil said I'll take what I can
'Cos I know he don't understand
Evil is my woman. This devil is a man

When God made woman from man
This little ol' devil said I'll take what I can
'Cos I know he don't understand
Evil is my woman. This devil is a man

Go! Go, little devil!
Go! Go, little devil!
Go! Go, little devil!
Ooh! This little woman, she don't understand

Go! Go, little devil!
Go! Go, little devil!
Go! Go, little devil!
When God made man, he knew what He was doin'

Go! Go, little devil!
Go! Go, little devil!
Go! Go! Go! Go! Go!
