I've been a fool when I was younger  
Reckless and wild  
I've felt the rain come down and thunder  
Came in to the dry  
You may think it's all just a silly game

Living like you do  
But watch the river rise around you  
It'll come and take you away  
No time for startin' over

It's always one more time  
You justify your livin'  
You say it's not enough  
Now tell me one more time  
With all the lies you're givin'  
How will you get back?

So when you say you've got it all figure out  
I've been there too  
The world will open up and swallow

Pulling you down, down  
No time for startin' over  
You've gone and thrown it all away

When you're off the edge  
Woah, yeah  
One more time  
One more time
